# American Panel HEARTH PRODUCTS

Accent your home with a quality hearth pad from American Panel. Our hearth products are crafted from a variety of quality stone and ceramics – expertly finished for maximum durability. Choose from a wide range of styles and enjoy the security of knowing your hearth pad meets all government safety standards.

## Budget Tile (Nine styles shown to left)

Beauty and protection at a good economical value.

## Add a classy detail with Venetian Inlay

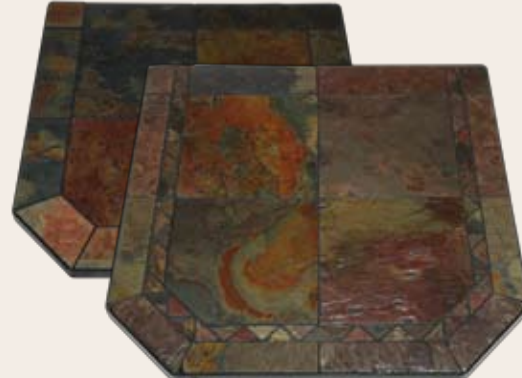

Enhance your tile or slate hearth pad with Venetian Inlay for a more sophisticated look. Not available with Idaho Diamond.

Night Shadows

Night Shadows with Venetian Inlay

Asian Slate

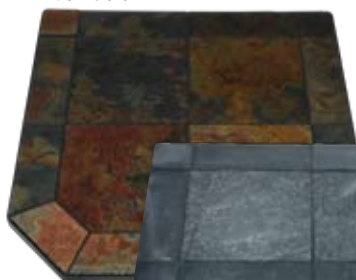

Asian Slate with Venetian Inlay

## Natural Slate/Stone

Natural Cleft Slate is the most popular texture for slate flooring, the surface is moderately rough giving your hearth pad a slip resistant and very unique appearance. Idaho Diamond is the “original” American Panel Hearth Pad. It is made from rock mined in Idaho, which has been hand selected, chipped by hand with a rock hammer and set into cement. No two will ever be the same!

Asian Slate

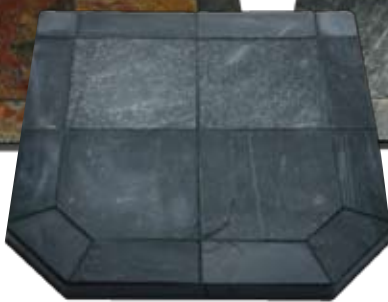

Indian Silver Slate

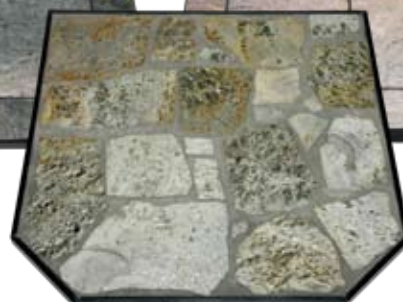

Copper Slate

Gray Slate

Idaho Diamond

## Shapes & Sizes

Our pads are offered in most popular sizes and shapes. Please consult your stove’s owner’s manual to determine the clearance requirements of your stove. Your hearth pad dealer can then help you choose the most appropriate pad size and shape for your home. Custom sizes welcomed.

Octagon  
shown in Tartara

For over 29 years, American Panel Hearth Products have been designed and manufactured with your home in mind. 5 year limited warranty against manufacturing defects and product failure under normal use. Additional details available upon request.

## Designer Tile (Nine styles shown to right)

Since color and design are so important in creating the right look, we offer the tile with complex blends of colors, sizes, textures and finishes to express your individuality.

## Edge Options

Oak trim edge with brass corners not shown. All Standard Edge hearth pads built with gloss black. All Colonial Edge hearth pads built with satin black powder coated edge.

Standard Edge

Colonial Edge  
Not available with Idaho Diamond,  
Indian Silver Slate & Quartz.

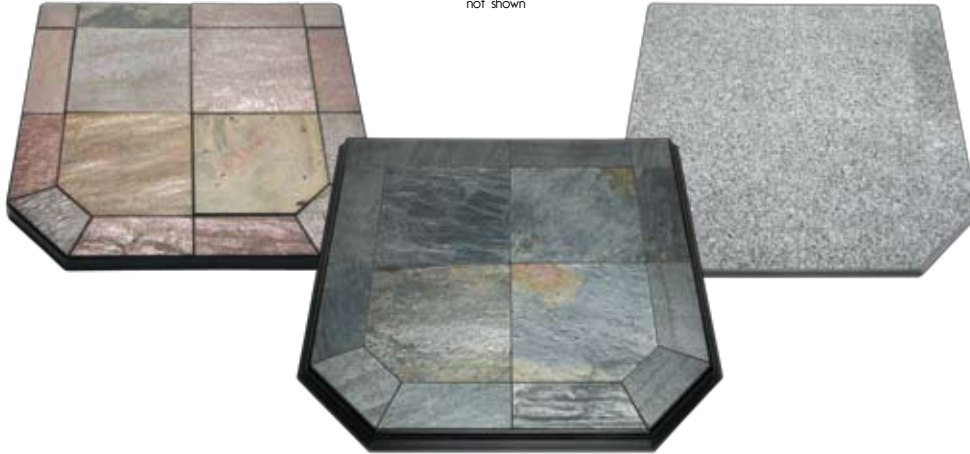

## Polished Slate/Granite

Polished Slate is often considered more elegant than natural slate, and has a more “finished” look.
